

## COUNTY ZONING APPROVAL VERIFICATION

The Natural Resources Conservation Service (NRCS) is a federal agency that provides technical and financial assistance to landowners and operators. NRCS requires federal, state, and local laws be followed. \_\_\_\_\_ has applied for a permit for a project located in the \_\_\_\_\_ (legal description) in \_\_\_\_\_ county.

As a representative of \_\_\_\_\_ county, I certify that the producer's project is:

Approved (permit obtained, if applicable)

Not Approved

If NOT approved, please outline reasons for disapproval (mark all that apply):

South Dakota Department of Environment and Natural Resources General Permit for Concentrated Animal Feeding Operations approval has not been obtained

Producer must appear at zoning meeting prior to approval being granted

A variance must be obtained for: \_\_\_\_\_

The producer needs to complete:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

\_\_\_\_\_  
Producer Signature

\_\_\_\_\_  
Date

\_\_\_\_\_  
Zoning Representative Name (print)

\_\_\_\_\_  
Title

\_\_\_\_\_  
Zoning Representative Signature

\_\_\_\_\_  
Date

When completed, please return this form to the NRCS address listed below:
