The Terms and Certifications below are applicable to applications for all Entity Held RCPP Easement Agreements:
<p>Each identified Eligible Entity has reviewed the RCPP Entity-Held Easement Program Agreement which is a Supplemental Agreement to the RCPP PPA identified above. The RCPP Entity-Held Easement Program Agreement stipulates the terms and conditions under which the Eligible Entity may be permitted to use RCPP cost-share assistance for the purchase of RCPP Easements. Each Eligible Entity agrees to participate in RCPP if NRCS and the Eligible Entity enter into an RCPP Entity-Held Easement Program Agreement. However, nothing in this application obligates the United States or an Eligible Entity to purchase all or any of the RCPP Easements identified on the Parcel Sheets associated with this entity application. To identify future roles should this application be funded, an Eligible Entity may hereafter be also be referred to as "Participant." Participants understand that acquiring an RCPP Easement without satisfying the requirements set forth in the terms of the applicable RCPP Entity-Held Easement Program Agreement and the associated Parcel Contract causes the easement to be ineligible for RCPP cost-share assistance.</p> <p>It is the responsibility of the Participants to provide accurate data to support all items addressed in this application at the request of NRCS. Participants acknowledge that NRCS is relying upon the veracity of the information submitted for purposes of awarding Federal funds and that the submittal of false information may be subject to criminal or civil fraud statutes.</p> <p>Participants must be registered in the System for Award Management (SAM) before submitting this application and must provide a valid Dun and Bradstreet Data Universal Numbering System (DUNS) number on this application. Each Participant must maintain active SAM registration with current information at all times during which it has an active application for funding under consideration and at all times for the duration of any RCPP Program Agreements entered into under the program. NRCS may not enter into an RCPP Entity-Held Easement Program Agreement with an Eligible Entity until all applicable DUNS and SAM requirements have been met. If an Eligible Entity has not fully complied with these requirements by the time NRCS is ready to enter into the RCPP Entity-Held Easement Program Agreement, NRCS may determine that the Eligible Entity is not qualified to receive an RCPP Entity-Held Easement Program Agreement.</p> <p>The Participant certifies that all highly erodible land conservation/wetland conservation, adjusted gross income certifications, and member information for each Landowner of record for each parcel associated with this entity application are on file with the appropriate USDA service center agency and are up to date.</p>
