

# Partners for Fish and Wildlife Program

Dustin Boles  
Acting PFW State Coordinator

# Wildlife Sub-Committee

- Provide recommendations to State Conservationist in regards to programs and initiatives that involve the establishment or enhancement of wildlife habitat.
- Provide consolidated recommendations on Conservation Practice Standards, considering their effectiveness concerning wildlife conservation.
- Work to identify priority areas for State Conservationist consideration in developing NRCS programming.
- Provide assistance to NRCS in developing initiatives, such as WLFW.
- Recommendations will be presented during general sessions of STC.
- Special assignments as requested by State Conservationist.

# Wildlife Sub-Committee

- Expect to meet quarterly, at a minimum
- Next meeting is tentatively scheduled for 14 Nov
- Will be facilitated by Dustin Boles (USFWS) and Brad Miller (TWRA)
- We will be working closely with Robin Mayberry (NRCS, State Biologist)
- How do I participate?
  - Please send an e-mail to Dustin Boles with your name and contact information
  - Multiple representatives from your agency/organization are invited to participate
