

Agricultural land Classic Urban Ranking Questions

Applicability Question

Are the majority of land units, greater than 50%, in the conservation plan within the Urban Agriculture Layer?

Category Question

Are the majority of the land units within NY?

Program Questions

1. Is the applicant a covered producer participating in the CRP-TIP and NRCS is evaluating the assessment during the two-year period covered by the CRP-1R?
2. Is the application for a Community Garden?
NOTE: A community garden is a single piece of land gardened collectively by a group of people. Community gardens utilize either individual or shared plots on private or public land while producing fruit, vegetables, and/or plants grown for their attractive appearance.
3. Is the land in or near a Food Desert within NY?
4. Using the summary CSP Report, identify the one land use (Crop or Pasture) with the smallest number of State Priority Resource Concerns met at the time of application. Choose the response that is the best match. Note: Associated Ag Land and Farmstead land uses have been excluded from consideration.
 - a. All eight State PRC are met
 - b. 6 or 7 State PRC are met
 - c. 4 or 5 State PRC are met
 - d. 2 or 3 State PRC are met
 - e. One State PRC is met
 - f. No State PRC are met

Resource Questions

1. Will the resource concern category Terrestrial Habitat be met or exceeded through the adoption of new conservation activities included in this application?
2. Will the resource concern category Degraded Plant Condition be met or exceeded through the adoption of new irrigation conservation activities included in this application?
