

Fiscal Year 2024 - Kansas Agricultural Conservation Easement Program- Wetland Reserve Easements Geographic Area Rate Caps* Effective 11/19/2023

Maximum Payment Rate for each Area and offered acres**

Kansas Area 1, 75-940 acres = \$3,744.00

Kansas Area 4, 30-315 acres = \$3,983.00

Kansas Area 2, 25-160 acres = \$2,548.00

Kansas Area 5, 25-385 acres = \$2,256.00

Kansas Area 3, 25-240 acres = \$2,744.00

* The GARC rate listed is for a permanent easement. For a 30 year easement the rate is 75% of the listed value.

** The dollar amount is predominately based on cropland land use, greater than 60% cropland. All other land use combinations, offer areas that are not within the specified acre ranges shown or activities that could impact the value of the property require an individual appraisal. Per acre offer value is based on 95% appraised value not to exceed maximum GARC rate specified for area where parcel is located.
