

SAVE THE DATE

Local Work Group

Join the Conservation Partnership for Happy Hour conversations to share your input on conservation priorities and funding in Alameda County.

August 7, 2024

4:00pm - 6:00pm

Martinelli Center
3585 Greenville Road
Livermore, CA 94550

What is a Local Work Group? No one knows more about a community's natural resource concerns and opportunities than the people who live and work there - that's you! The Alameda County Conservation Partnership believes it is important to give you, the local ranchers, farmers, winegrowers, land owners, urban farmers, and partners a voice in how best to prioritize and address these issues through our funded programs. Together, we make up the Alameda County Local Work Group.

More information and registration coming soon.
