

Local Working Group Meeting

July 24th, 2024

Time 6:00 - 7:30pm

11641 Blocker Dr, Suite 110, Auburn CA

The USDA Natural Resource Conservation Service and the Placer Resource Conservation District are looking for input from farmers, ranchers, and forest landowners/ land managers like you!

This is an opportunity for you to talk openly and collaboratively about resource concerns like soil health, water conservation and quality, invasive weeds, wildfire, energy use, pests & diseases, and more.

We ask you to please take our short survey and invite you to attend our in-person meeting with your fellow farmers, ranchers, landowners, and land managers. Taking the survey is encouraged, but registration is optional.

**Register to attend
and take the survey!**
