
Login.gov TroubleShooting

Are you having issues with logging in to Registry using your Login.gov account? The possible issue may be trying to use the incorrect “User Type”. Please follow the directions below for what is often a quick resolution to login issues. If these directions do not work for you, please reach out to the Regional Coordinator for assistance. The map is found here: [Regional Coordinator Map_07.23.2024.pdf](#)

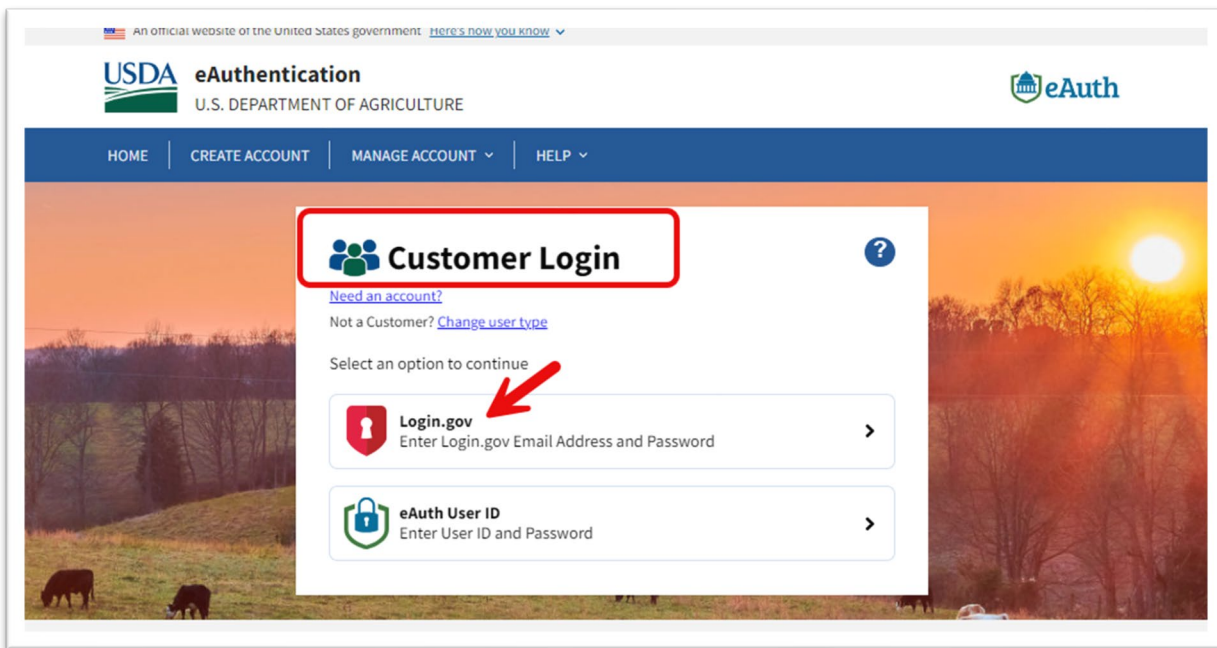

If you see a screen showing “USDA Federal Login” (shown below) then you will want to click the link near the top that says “Change user type”.

Next you will want to select Customer (shown below):

Finally, select the Login.gov option to log into registry (shown below)

When you click on Login.gov, the next screen is shown below. Follow steps 1, 2 and 3 to login.

USDA eAuthentication is using Login.gov to allow you to sign in to your account safely and securely.
