

NRCS Colorado FY 2025 Local Working Group Task Guide

Conservation District: _____

Date LWG Held: _____ Number of Participants: _____

CD Project Contact Name: _____ Email: _____

1. Do you see **barriers** to agricultural producers or landowners implementing conservation projects in your area?

2. Do you or can you **offer trainings or demonstration projects** for other producers, landowners, and/ or conservation partners? What would these trainings look like?

3. **How do you receive information** for conservation project opportunities (new technology, funding opportunities, requests for feedback)?

4. What is your **district's greatest conservation success story?** (can you share photos, maps, quotes, why it was so successful)

Helping People Help the Land

USDA is an equal opportunity provider, employer, and lender.

5. What **conservation practices are producers in your district adopting** (either through NRCS or on own). Which ones would producers **recommend to others**? Which conservation practices are not recommended in your district?

6. What strategies can help NRCS **reach out to new customers or producers**?

7. What strategies **can Districts help to implement to reach out to new customers**?

8. What is NRCS Colorado doing well in **Conservation Delivery**? What can be improved?

The section **below** of the Task Guide should be completed by the CD's RTL-DC from the information collected at the LWG meeting.

Colorado NRCS FY2025 Local Working Group Task Guide
