

SCREENING CRITERIA WORKSHEET - FY 2016
Regional Conservation Partnership Program (RCPP) - EQIP

*A Screening Criteria Worksheet must be completed for each **eligible** RCPP-EQIP application*

Instructions

This screening criteria worksheet must be completed for each eligible producer applying for the RCPP-EQIP. Applications will be accepted on a continuous basis; however, application ranking cutoff periods are established for purpose of evaluation, ranking and funding decisions.

Completion of this worksheet and documentation does not constitute agreement to provide RCPP-EQIP financial assistance nor approval of a program contract. The original screening worksheet should be filed with the applicant case file or EQIP file and uploaded to the Document Management System (DMS). The screening priority ("High" or "Low") must be recorded in ProTracts. Upon request, a copy of any completed screening worksheet may be provided to the applicant.
