

Conservation Innovation Grants (CIG) Question and Answer Webinar for Applicants

The CIG Team welcomes you to join us for the Fiscal Year (FY) 2017 CIG Applicant Question and Answer (Q&A) webinar on Monday, November 21, 2016 from 2:00 – 3:00 pm EST.

We will answer general questions about the FY2017 Announcement for Program Funding – i.e. application process, eligibility, matching funds, indirect costs, etc. Please note, we will not address individual proposal ideas or answer project specific questions.

During the Q&A session, all participants will be muted. However, you may forward your questions by typing them into a dialog box. The presenters will read and respond to all questions aloud.

If you cannot join the live webinar, you may access the audio recording shortly after the webinar. We will post a link to the audio recording on the CIG Applicant page.

The instructions for joining the webinar are below. Thank you for your interest in Conservation Innovation Grants.
