

Environmental Quality Incentives Program (EQIP)
 Driftless Area Landscape Conservation Initiative (DALCI)
 SCREENING CRITERIA WORKSHEET
 A screening worksheet will be completed for each eligible DALCI
 application.

Instructions: Complete a screening worksheet for each eligible producer applying for EQIP DALCI assistance. Completion of this worksheet and documentation does not constitute agreement to provide EQIP benefits nor approval of a program contract. The original screening worksheet should be filed with the applicant case file or EQIP file and unless the application is determined to be ineligible, the screening priority (high, medium, and low) will be recorded in ProTracts application priority. A copy of any completed screening worksheet may be provided to the applicant.
