

EQIP 2017 Screening Criteria Worksheet

Applications in the Cropland Fund Code must be evaluated using this worksheet.

Instructions: This screening worksheet must be completed for each eligible producer applying for EQIP fund codes listed above. The goal of this screening tool is to ensure that conservation technical assistance and EQIP program benefits are efficiently allocated to address priority conservation needs addressed as priorities in the 2014 Farm Bill. Completion of this worksheet and documentation does not constitute agreement to provide EQIP program benefits nor approval of an EQIP contract. This screening worksheet should be filed with the applicant case file and the screening priority (High, Medium or Low) shall be recorded in ProTracts. Upon request, a copy of the screening worksheet may be provided to the applicant.
