

**Application must have following also attach to SF-424**

1. Project Name
2. Dam Number
3. Original Project Authority
4. Dam Location (legal description)
5. List of current SLO's
6. Signature page showing authorization by resolution of the governing body (sponsors).
7. Name(s) and Address(es) and contact information for person(s) designated as contact for each of the SLO(s)
8. Year Dam was constructed.
9. Description of existing condition and known rehabilitation needs of the dam
10. Description of current benefits provided by dam
11. Dam Safety Agency information, permit needs, comments, and recommendations on rehabilitation needs for specific dam. If State Dam Agency ordered any action on dam, attach a copy of the order
12. Statement that SLO(s) will commit to:
  - Assist in leading locally-led planning effort,
  - Obtain needed landrights including the use of power of eminent domain, if necessary,
  - Provide local cost-share funds and/or in-kind services to provide the required 35% of total project costs,
  - Provide funds for continuing O & M actions,
  - Enter into a new O & M agreement with NRCS,
  - Obtain required permits and approvals and their costs,
  - Provide leadership to assure adequate land use controls are enacted or required for downstream areas prior to construction if a low or significant hazard dam is involved,
  - Provide leadership to assure adequate land use controls are enacted or required for downstream areas prior to construction if a low or significant hazard dam is involved,
  - Provide leadership to assure adequate land treatment measures have been installed on at least 50% of the watershed area above the dam,
  - Statement that the SLO(s) that plan to provide in-kind services and/or acquire landrights will sign a MOU with NRCS before being credited with the value of any in-kind contributions
