The meeting started at 9:00 a.m.

The minutes from May 5, 2020 meeting have been posted.

GENERAL ITEMS:

Discussion was had about updates with the new Pitney Bowes Contract for FPAC and each agency provided information on how the agencies are proceeding with this process. More to come once deployment and training opportunities are provided from FPAC.

Discussion was had on the Mobile Credential Unit for LincPass. It was agreed that FSA would obtain the MCU in late August to perform enrollment for new employees and updates for employees needing actions taken. FSA plans to utilize the MCU through the early part of October. During this time, FSA will work with our sister agencies to provide support where needed for emergency situations.

Discussion was had on facilities that saw damage with recent storms through Kansas. FSA will follow up with sister agencies on those facilities that are dually occupied of the outcomes with mitigation plans to fix the items that were damaged.

The Meeting concluded at 10:00 am.

Next SAC Teleconference is scheduled for November 10, 2020 at 9:00 a.m. (via Microsoft TEAMS)
