

**Eddy Creek  
 Fund Account Fact Sheet  
 Fiscal Year 2021**

**Eligibility**

The Eddy Creek Fund Account is for applicants with land in the Upper Eddy Creek Watersheds listed below which are located in parts of Caldwell, Lyon and Trigg Counties. The objective of this focused conservation project is to address natural resource concerns of soil erosion and impaired water quality.

<b>Land within the HUCs below are eligible for this project</b>	
051302050705	05130205230130
051302050704	05130205230120

- Ranking Questions**
1. Does the planned land unit intersect a well head protection area or karst area as identified by DOW by at least 50%?
  2. Are the planned practices to be located adjacent to Eddy Creek?
  3. Within 1,000 ft of Eddy Creek and its tributaries?
  4. No direct access to secondary tributaries?
  5. Planned practices will filter water entering stream with vegetative filter strip (riparian buffer).
  6. Planned practices will reduce sheet and rill erosion on cropland by implementing cover cops.

**Eligible Practices**

Conservation Practice	Practice Code	Unit	Practice Lifespan (years) <sup>1</sup>	Payment Cap <sup>2</sup>	Payment Limits
Cover Crop	340	Ac.	1		
Riparian Herbaceous Cover	390	Ac.	5		

<sup>1</sup> The conservation practice in the EQIP contract must be maintained and used for the intended purpose and the practice lifespan.
