

**Bacon Creek
Fund Account Fact Sheet
Fiscal Year 2021**

Eligibility

The Bacon Creek Fund Account is for applicants with land in the portions of Bacon Creek Watershed (HU 05110001150070) which are in Hart County. The objective of this focused conservation project is to address sheet and rill erosion, organic matter depletion, excess nutrients in surface and ground waters that are being transported to the Bacon Creek Watershed. There are a variety of land uses across the watershed including cropland, pastureland and forestry. The project will address resource concerns on all these land uses.

- Ranking Questions**
1. Does the planned land unit intersect a well head protection area or karst area as identified by DOW by at least 50%?
 2. Does the applicant currently feed livestock within 150 feet of a stream that feeds into the Bacon Creek Watershed and does this application include fence that will exclude the livestock access to the stream?
 3. Will this application implement practices recommended in a Conservation Activity Plan (CAP) written by a Technical Service Provider (TSP)?
