[nrcs.usda.gov/](https://nrcs.usda.gov/)

# Purpose, Approach, and Goals

- **The purpose of the project is clearly explained;**
- **The design and implementation of the project;**
- **The project outcomes are stated, measurable, and likely to be achieved; and**
- **Both beneficial and adverse impacts are considered**

# Innovative Technology or Approach

- **The project is innovative (nationally, regionally, and/or locally)**

# Project Management

- **Timeline and milestones are clear and reasonable;**
- **Project staff has necessary technical and administrative expertise; and**
- **The budget is adequately explained and justified**

# Benefits and Transferability

- **How will project work be assessed, and the results transferred;**
- **Is there the potential to transfer the approach or technology to a broader audience;**
- **How will NRCS benefit from the innovative approach or methods**
