

**2021 Local Work Group Meeting
February 24th, 2021 9AM-1100AM**

Klamath County Local Work Group Members:

Soil and Water Conservation District, Farm Service Agency, Cooperative Extension, State or local elected or appointed officials, Federal and State Governments, American Indian governments, community members, and conservation partners of the Natural Resources Conservation Service.

Goal: *To provide recommendations to the District Conservationist and the State Conservationist on the local natural resource priorities and criteria for conservation activities and programs*

- 9:00 -- 9:10** Welcome and Introduction
- 9:10 -- 9:25** Review of Klamath County Aerial (SWCD District Map)
- Directors speak on each zone
- 9:25 -- 9:40** Past: cursory review of what's been accomplished
- Juniper Removal
 - Dryland Conversion
 - Irrigation Improvements
 - Off-stream livestock watering facilities
- 9:45 -- 9:55** Present: cursory review of what exists
Funding areas and resource concerns addressed
- Joint Chiefs
 - Upper Klamath Lake
 - National Water Quality Initiative-Lost River
- 9:55 -- 10:00** Break
- 10:00-11:00** Future:
- Targeted areas with existing funding or technical assistance that can be supported?
 - Are there efforts developed in areas within Klamath County, or efforts that need to be coordinated? Define the boundaries of those efforts and conservation practices eligible. How much funding is available, for what, and for how long? Are there additional needs not being met? If yes, what are they?
 - Are there known landscape improvements that need to occur that are yet to be implemented that you're working on? (SIA)

11:00 Adjourn
