

Milwaukee River Watershed Clean Farm Families Presents:

NO-Till Corn Planter Setup/Tune-Up Clinic

"Managing your planter for peak performance"

Thursday, April 8, 2021

11am - 2pm (Free Lunch Provided)

FEATURING JOE CONDON with Prospect Ag Services

Who is Joe Condon?

Joe Condon, owner of Prospect Ag Services in Horicon, specializes in planter set-up and repair. Joe will set-up your planter or walk you through on how to do so to help ensure that your planter is working at maximum efficiency. Joe also sells & installs Precision planting products and rebuilds and test corn meters. Joe's son, Jacob, joined the business in 2014.

**Where: Brian Karrels - Farm Shop
1522 Lake Drive
Port Washington, WI 53074**

+ A video from the National No-Tillage Conference, No-Till Planting 101: Getting Back to Basics, presented by Bill Lehmkuhl, Owner of Precision Ag Services, will be shown as part of the workshop!

**Please RSVP by
Monday, April 5th.**
