A Technical Assistance Team was established involving the following agencies and organizations to reach out to and assist landowners. The purpose is to help train associated partners and set-up landowner/user workshops and field days for habitat management training.

The Technical Assistance Team consists of:
- Alabama Association of Conservation Districts (AACD)
- Alabama Cooperative Extension Services (ACES)
- Alabama Forestry Commission (AFC)
- Alabama Wildlife and Freshwater Fisheries
- Alabama Wildlife Federation (AWF)
- Federation of Southern Cooperatives Rural Training & Research (FSC/LAF)
- The Longleaf Alliance (LLA)
- Natural Resources Conservation Service (NRCS)
- National Wild Turkey Federation (NWTF)
- Soil And Water Conservation Committee (SWCC)
- Soil And Water Conservation Districts (SWCD)
- The Nature Conservancy
- US Fish and Wildlife Service (USFWS)
- US Forest Service

The Technical Assistance Team will:
1. Assist USDA-NRCS in implementing the Longleaf Pine Initiative.
2. Provide technical assistance to private landowner/users interested in restoring longleaf ecosystems, including those enrolled in the USDA-NRCS Environmental Quality Incentives Program (EQIP), Working Lands for Wildlife (WLFW), and other longleaf restoration efforts.
3. Remove barriers to landowners/users in participating in USDA-NRCS Longleaf Pine Initiative by improving communication between landowners/users and the members of the Technical Assistance Team.
4. Assist USDA-NRCS in maintaining habitat on previously implemented EQIP and WHIP contracts by conducting consultations, compliance checks, and providing technical guidance.

To request technical assistance, contact your local Technical Assistance Team member listed in this brochure or your nearest SWCD/NRCS field office listed in the telephone directory under U.S.D.A. You may also request assistance on the Alliance website at: www.longleafalliance.org

Ecosystem Restoration Team
Providing Technical Assistance in Managing Longleaf Pine

Updated 3/2015

The U.S. Department of Agriculture (USDA) prohibits discrimination in all of its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, political beliefs, genetic information, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA’s TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write to USDA, Assistant Secretary for Civil Rights, 1400 Independence Avenue, S.W., Stop 9410, Washington, DC 20250-9410, or call toll-free at (866) 632-9992 (English) or (800) 877-8339 (TDD) or (866) 377-8642 (English Federal-relay) or (800) 845-6136 (Spanish Federal-relay). USDA is an equal opportunity provider and employer.
