

HEALTHY LAND HEALTHY FARMS

Take action to protect the soil, water, plants and wildlife on your farm and your farm will show the benefits.

YOUR LOCAL NRCS CAN PROVIDE:

- One-on-one site visits with you on your land
- Individual conversations about your plans
- Free technical advice to determine the most appropriate conservation improvement activities
- Free assistance in applying for natural resources conservation financial incentives

Contact your local NRCS field office for more information and to set up an appointment.

Field office list on back.

USDA'S NATURAL RESOURCES CONSERVATION SERVICE (NRCS) IS A LOCAL RESOURCE FOR INNOVATIVE CONSERVATION SOLUTIONS TO IMPROVE THE LAND AND PROTECT YOUR WAY OF LIFE.

Financial and technical assistance is available for agriculture producers through the Environmental Quality Incentives Program (EQIP), which is a competitive program. You may be able to receive assistance to implement the following conservation activities:

- Cover Crop
- Crop Rotation
- Nutrient Management
- Pest Management
- Promotion of Wildlife & Pollinator Species
- Seasonal High Tunnels
- And more!
