<b>Farm Location:</b>		

**National Priorities Addressed**

Issue Questions	Responses
If the application is for development of a Conservation Activity Plan (CAP), the agency will assign significant ranking priority and conservation benefit by answering “Yes” to the following question. Answering “Yes” to question 1a will result in the application being awarded the maximum amount of points that can be earned for the national priority category.	
1. a. Is the program application to support the development of a Conservation Activity Plan (CAP)? If answer is “Yes”, do not answer any other national level questions. If answer is “No”, proceed with evaluation to address the remaining questions in this section.	Yes <input type="radio"/> or No <input type="radio"/>
<b>Water Quality Degradation – Will the proposed project improve water quality by: (select all that apply)</b>	
2. a. Implementing the practices in a Comprehensive Nutrient Management Plan (CNMP)?	Yes <input type="radio"/> or No <input type="radio"/>
2. b. Implementing the practices in a Nutrient Management Plan (NMP)?	Yes <input type="radio"/> or No <input type="radio"/>
2. c. Reducing impacts from sediment, nutrients, salinity, or pesticides on land adjoining a designated “impaired water body” (TMDL, 303d listed waterbody, or other State designation)?	Yes <input type="radio"/> or No <input type="radio"/>
2. d. Reducing the impacts from sediment, nutrients, salinity, or pesticides in a “non-impaired water body”?	Yes <input type="radio"/> or No <input type="radio"/>
2. e. Implementing practices that improve water quality through animal mortality and carcass management?	Yes <input type="radio"/> or No <input type="radio"/>
<b>Water Conservation – Will the proposed project conserve water by: (select all that apply)</b>	
3. a. Implementing irrigation practices that reduce aquifer overdraft.	Yes <input type="radio"/> or No <input type="radio"/>
3. b. Implementing irrigation practices that reduce on-farm water use?	Yes <input type="radio"/> or No <input type="radio"/>
3. c. Implementing practices in an area where the applicant participates in a geographically established or watershed-wide project?	Yes <input type="radio"/> or No <input type="radio"/>
3. d. Implementing practices that reduce on-farm water use as a result of changing to crops with lower water consumptive use, the rotation of crops, or the modification of cultural operations?	Yes <input type="radio"/> or No <input type="radio"/>
<b>Air Quality - Will the proposed project improve air quality by: (select all that apply)</b>	
4. a. Meeting on-farm regulatory requirements relating to air quality or proactively avoid the need for regulatory measures?	Yes <input type="radio"/> or No <input type="radio"/>
4. b. Implementing practices that reduce on-farm emissions of particulate matter (PM2.5, PM10)?	Yes <input type="radio"/> or No <input type="radio"/>
4. c. Implementing practices that reduce on-farm generated greenhouse gases such as carbon dioxide (CO2), methane (CH4), and nitrous oxide (N2O)?	Yes <input type="radio"/> or No <input type="radio"/>
4. d. Implementing practices that increase on-farm carbon sequestration?	Yes <input type="radio"/> or No <input type="radio"/>
<b>Soil Health:– Will the proposed project improve soil health by: (select all that apply)</b>	
5. a. Reduce erosion to tolerable limits (Soil “T”)?	Yes <input type="radio"/> or No <input type="radio"/>
5. b. Increasing organic matter and carbon content, and improving soil tilth and structure?	Yes <input type="radio"/> or No <input type="radio"/>
<b>Wildlife Habitat – Will the proposed project improve wildlife habitat by: (select all that apply)</b>	
6. a. Implementing practices benefitting threatened and endangered, at-risk, candidate, or species of concern.	Yes <input type="radio"/> or No <input type="radio"/>
6. b. Implementing practices that retain wildlife and plant habitat on land exiting the Conservation	Yes <input type="radio"/> or No <input type="radio"/>

Reserve Program (CRP) or other set-aside program?	
6. c. Implementing practices benefitting honey bee populations or other pollinators?	Yes <input type="radio"/> or No <input type="radio"/>
6. d. Implementing land-based practices that improve habitat for aquatic wildlife?	Yes <input type="radio"/> or No <input type="radio"/>
Plant and Animal Communities: Will the proposed project improve plant and animal communities by: (select all that apply)	
7. a. Implementing practices that result in the management control of noxious or invasive plant species on non-cropland?	Yes <input type="radio"/> or No <input type="radio"/>
7. b. Implementing practice in an Integrated Pest Management Plan (IPM)?	Yes <input type="radio"/> or No <input type="radio"/>
Energy Conservation– Will the proposed project reduce energy use by: (select all that apply)	
8. a. Reducing on-farm energy consumption?	Yes <input type="radio"/> or No <input type="radio"/>
8. b. Implementing practice(s) identified in an approved AgEMP or energy audit, which meet ASABE S612 criteria?	Yes <input type="radio"/> or No <input type="radio"/>
Business Lines – Will the practices to be scheduled in the “EQIP Plan of Operations” result in:	
9. a. Enhancement of existing conservation practice(s) or conservation systems already in place at the time the application is received?	Yes <input type="radio"/> or No <input type="radio"/>

### State Issues Addressed

Issue Questions	Responses
1. Species Presence: a. Is there credible verification of species occurrence (for example, photos, Heritage Database, USFWS, NRCS or State fish and wildlife agency documentation)? This should not be taken to imply that a site visit is required.	
1. a. Is there credible verification of species occurrence (for example, photos, Heritage Database, USFWS, NRCS or State fish and wildlife agency documentation)? a. If the offered acres are in a Priority 1 county?	Yes <input type="radio"/> or No <input type="radio"/>
2. a. Is there credible verification of species occurrence (for example, photos, Heritage Database, USFWS, NRCS or State fish and wildlife agency documentation)? b. If the offered acres are in a Priority 2 county?	Yes <input type="radio"/> or No <input type="radio"/>
3. a. Is there credible verification of species occurrence (for example, photos, Heritage Database, USFWS, NRCS or State fish and wildlife agency documentation)? c. If the offered acres are in a Priority 3 county?	Yes <input type="radio"/> or No <input type="radio"/>
4. a. If the offered acres are in a Priority 1 county?	Yes <input type="radio"/> or No <input type="radio"/>
4. b. If the offered acres are in a Priority 2 county?	Yes <input type="radio"/> or No <input type="radio"/>
4. c. If the offered acres are in a Priority 3 county?	Yes <input type="radio"/> or No <input type="radio"/>
2. Distance to Known Population (Note: NRCS will respect the privacy of adjacent landowners): a. The offered area shares a common border with an area with known populations of the target species. For these points, a GT population must occur immediately adjacent to the offered acres with no major movement barrier (large river, interstate, etc.) separating the properties. The adjacent area does not have to be owned or controlled by the applicant.	
1. a. The offered area shares a common border with an area with known populations of the target species. 50 points For these points, a GT population must occur immediately adjacent to the offered acres with no major movement barrier (large river, interstate, etc.) separating the properties. The adjacent area does not have to be owned or controlled by the applicant.	Yes <input type="radio"/> or No <input type="radio"/>
2. b. The offered area is proximal to an area with a known population of the target species. Proximal means within the accepted normal species dispersal ability. For these points, the offered acres must be within ¼ mile of a known GT population.	Yes <input type="radio"/> or No <input type="radio"/>
3. Will 75% or more of the practices be located within the “Focal Area”?	
3. a. If the offered acres are in a Priority 1 county	Yes <input type="radio"/> or No <input type="radio"/>
3. b. If the offered acres are in a Priority 2 county	Yes <input type="radio"/> or No <input type="radio"/>
3. c. If the offered acres are in a Priority 3 county	Yes <input type="radio"/> or No <input type="radio"/>

### Local Issues Addressed

Issue Questions	Responses
-----------------	-----------

1. Are gopher tortoises present or do at least 50% of the offered acres (within each field or stand) contain preferred (GT-1), suitable (GT-2) or marginal (GT-3) soils?	
1. a. Gopher tortoise population professionally verified (in writing) within offered acres AND/OR > 50% of the offered acres are GT-1 or GT-2 soils:	Yes <input type="radio"/> or No <input type="radio"/>
2. b. > 50% of offered acres are a mix of preferred GT-1, GT-2 or GT-3 soils	Yes <input type="radio"/> or No <input type="radio"/>
2. Are the offered acres within or immediately adjacent to at least 200 acres of forested and/or "old field" habitat? These adjacent acres do not have to be owned or controlled by the applicant. Old field habitat consists of early successional native plant species (forbs, shrubs, and grasses), not improved pasture (including poorly managed pasture), food plots, or cropland.	
1. a. >200 acres	Yes <input type="radio"/> or No <input type="radio"/>
2. b. 150-200 acres	Yes <input type="radio"/> or No <input type="radio"/>
3. c. 100-149 acres	Yes <input type="radio"/> or No <input type="radio"/>
4. d. <100 acres	Yes <input type="radio"/> or No <input type="radio"/>
3. If the WLFW contract includes the following on > 50% of the offered acres:	
1. a. Thinning to < 50 BA; -OR Burning an existing stand with < 50 BA; -OR Burning longleaf < 7 years old	Yes <input type="radio"/> or No <input type="radio"/>
2. b. Thinning to 51-60 BA -OR Burning an existing stand with a BA of 51-60	Yes <input type="radio"/> or No <input type="radio"/>
3. c. None of the above	Yes <input type="radio"/> or No <input type="radio"/>
4. Have the offered acres been prescribed burnt within the past 5 years?	
1. a. Yes	Yes <input type="radio"/> or No <input type="radio"/>
2. b. No	Yes <input type="radio"/> or No <input type="radio"/>
