Draft Plan/ Environmental Assessment

- January 20, 2016: Draft Plan/EA was released for a public comment period ending February 22, 2016
- Public meeting held February 2, 2016 @ Emery County Commission Chambers
- Notice of the meeting was published in the local paper, emails, State RDCC web site and on the project web site link: bit.ly/MillsiteDam
- 28 attendees - Preferred Alternative presented
- Received few comments during the 30 day public comment period
- An earlier information meeting was held at Ferron City Hall on October 29, 2016 where there were 40+ attendees
- Significant comments will be addressed in the Final Plan/EA

Figure 1. Preferred Alternative Presentation - February 2, 2016

- The Final EA is anticipated for this summer following completion of the formal consultation process
- Business cards were made available to the public stating the purpose, anticipated construction schedule and project web site link
- Elements of the final consultation with the US Fish and Wildlife Service and the Army Corps will be included in the Final Plan/EA

- Construction schedule moved to 2017
- Some elements may be done in late fall/winter 2016 (State Park work ?) pending contractor selection
- Funding will not be impacted
- Delay will facilitate a better, longer bid process….likely leading to a better price
