Conservation compliance policy means that small (ephemeral) gullies in your fields could make you ineligible for USDA programs, including crop insurance.

So if you have this problem, fix it—don't disc it.

Contact your local Natural Resources Conservation Service office to talk about your conservation options.

### Examples of Ephemeral Gully “Fix It” Options

- **Grassed Waterway**
- **Terraces**
- **No Till**
- **Cover Crops**
